

ecrs-9
9th European Conference on Residual Stresses

UNIVERSITY OF TECHNOLOGY OF TROYES - FRANCE 7-10 JULY 2014

**The 9th European Conference on
Residual Stresses**

Commercial Exhibition

IF YOU WISH TO PRESENT
your scientific equipments, display your innovations, develop your contacts, we can propose you exhibition stands at the heart of the meeting during the whole event

For the first time in France since 1996 A major international event in residual stresses

The conference is open to any communication connected with residual stresses and/or internal stresses, of academic or industrial nature, fundamental or applied, experimental or numerical or theoretical, at macro or micro or nano scales, from manufacturing to physical or technical properties.

The main topics will be measurement methods, modeling methods, residual stresses management and control, residual stresses in manufacturing processes, residual stresses in advanced materials, residual stresses in components and structures, consequences of residual stresses, internal stresses and microstructure

Come to meet scientists and engineers!

250 participants are expected

About 150 presentations, oral and posters are expected. 2 or 3 parallel sessions will be organized for oral presentations.

A poster session will be organized during which the participants will be encouraged to visit the exhibition stands

AN EXHIBITION HALL
of 335 m² will be set-up in which participants will take their coffee breaks in the morning and in the afternoon

TARIFFS OF THE STANDS

1100 € (VAT excl.) for a 6 m² stand*

2200 € (VAT excl.) for a 12 m² stand*

THE TARIFF INCLUDES

For a 6 m² stand,
a registration for one person

For a 12 m² stand,
a registration for two persons

A registration includes coffee breaks, lunches, gala dinner, access to the lectures, and all the material distributed to participants.

The logo of your company will be displayed on all the communication vectors (flyers, program and abstract folder, web site, proceedings...) as soon as your purchasing order is received

Your commercial material (flyer, USB memory stick,...) will be included in the participant bag.

SPONSORING

For additional visibility on the web site (front page) and on communication vectors (front page) a customized sponsoring program is available.
